

American Teeswater Sheep Association

Application to Accept Registration into the ATSA

For Animals Already Registered with another Teeswater Association

You must be a member of the ATSA to submit this application and this animal must be already registered in another Teeswater Association. Each animal submitted must have animals in their pedigrees that meet the registration requirements as stated in the ATSA breed up guidelines. Sire and Dam do not have to be ATSA registered but must meet all other ATSA requirements. Please include a copy of the animals Registration.

Registrations for rams must be accompanied by proof of RR or QR at codon 171. Codon 171 testing results for ewes is optional. NOTE Offspring of QR rams must provide proof of RR or QR testing at 171 to be registered.

Fee -Animals under 24 months of age \$10 Animals over 24 months \$15.00

(will be refunded if animal is found ineligible to transfer into the ATSA)
